Storyboard Title: Elisha's first day rollercoaster by Sophie and Elodie

Frame 1:

Description: Elisha is starting her first day at her new school; she's making sure she looks perfect for her big day. She puts on her favourite sparkly shoes, backpack and made her mum do her hair. 20 minutes later she's finally ready and heads out the door.

Frame 2:

Description: Elisha arrived happily into her new class. The teacher began to read the roll. He tried to say her name but failed. Elisha got embarrassed when everyone started whispering, and she corrected the teacher and went to sit.

Frame 3:

Description: As Elisha is packing up her books to head out for recess she hears voices coming from outside and realises that the voices are talking about her. They are making fun of the things that make her feel confident. She feels really upset and hurt.

Frame 4:

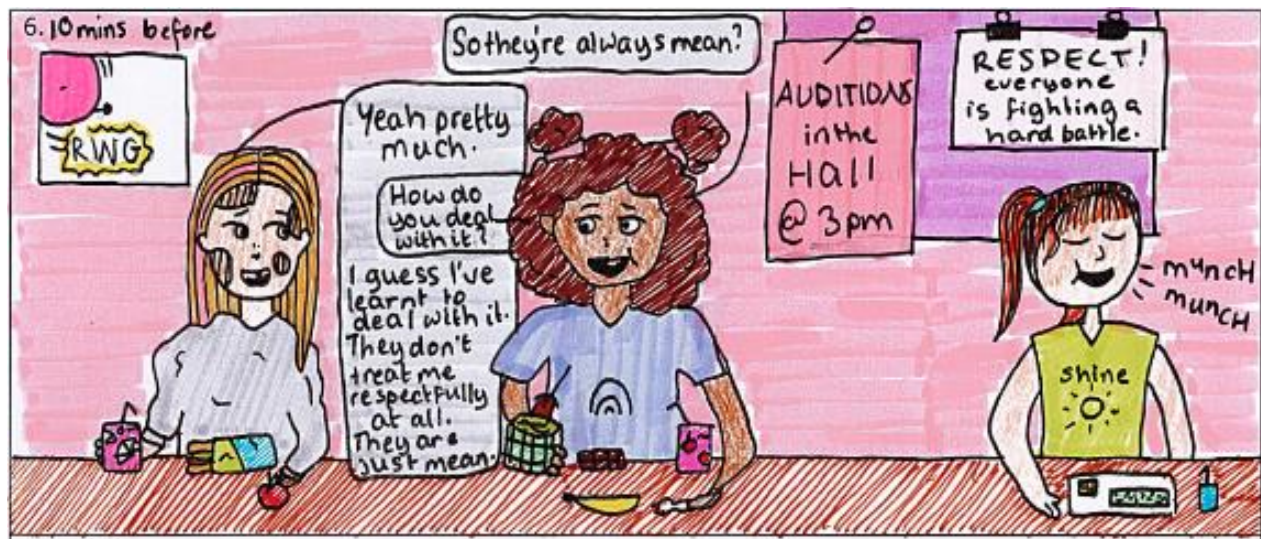

Description: Elisha's day kept getting worse and worse. She was yelled at by her classmate, teased in the playground and had been talked behind her back! But they aren't the only ones watching Elisha. She sees a small girl over to the left, all by herself on a bench, looking just as upset as Elisha.

Frame 5:

Description: Elisha is patiently waiting for the science teacher to call out her name for the pairing for the science project. Elisha is content when she hears her name being called out with Violet's; the quiet girl she had seen in the playground. Hopefully they could maybe be friends!

Frame 6:

Description: At the canteen at lunch time Elisha asked Violet how she put up with all the bullying. Violet explained that she liked herself for who she was and she wasn't going to let them make her doubt herself. Elisha loved that, so she decided to do the same.

Frame 7:

Description: In P.E. Elisha and Violet come up with a plan. They were going to prepare a speech and present it to the girls that were making fun of them. They were going to tell them how they feel and that it is very important to be kind to everyone. And that respect is a key thing in life.

Frame 8:

Description: Violet's plan worked! The mean girls are no longer mean! They are actually super nice! They have all become best friends! After school, Elisha told all of her new friends about her idea to have a respect club for everyone to join, so that everyone feels included at school!
